LOOK AT ALL THE LOVE WE FOUND: LIVE A TRIBUTE TO SUBLIME

On the evening of **October 24th 2005**, The Music Box at Fonda Theater played host to "Look At All the Love We Found: A Tribute to Sublime", a benefit concert to honor and celebrate the legacy of one of most influential bands of the 90's and raise funds for those in need. Artists like **LOS LOBOS**, **UNWRITTEN LAW**, **OZOMATLI**, **BLACKALICIOUS**, **FISHBONE** & **THE ZIGGENS** came together for this night to perform this unforgettable tribute. Many of these artists, as well as some surprise special guests, teamed up to perform Sublime classics in jam-session style. Now this magical night can be re-lived with this special DVD/CD combo. The bonus audio CD contains never-before-heard covers of Sublime hits and fan favorites including a brand new studio recording of "Ebin" by **THE BANNED WITH CHUCK D** (of Public Enemy) and the rockin live Fishbone

version of "Date Rape". These incredible tracks were not featured on the hit "Look at All the Love We Found" CD that was released last summer and can only be found here.

Bonus DVD features include: "Pawn Shop" from the "Look at All the Love We Found" album release party (featuring original Sublime member **BUD GAUGH** on drums), a music video for Fishbone's version of "Date Rape", and Backstage Interviews from the benefit show with Los Lobos, **MURS**, **UNWRITTEN LAW** and more. Also included is an **in-depth photo slide show** detailing the special events and a **behind-the-scenes look** at the all-star jam rehearsal including **Stephen Perkins (JANE'S ADDICTION)**, **Ikey Owens (THE MARS VOLTA)**, **Eric Wilson (SUBLIME)** and many of the featured performers from the tribute shows' festivities.
